A PEROT COMPANY®

MARKET LEADING SPACE

Hillwood Park Northampton is a brand new, market leading logistics and industrial unit located in one of the UK's most dynamic commercial hubs.

Strategically positioned just 7 minutes from Junction 15 of the M1 Motorway, the scheme offers outstanding connectivity to the Midlands, the South East, and beyond.

Set within the established Crow Lane Employment Area, Hillwood Park is just 3 miles from Northampton town centre and benefits from immediate access to the A45, linking directly to both the M1 and A14 (A1/M1 Link). The area is home to a strong mix of national occupiers, including Royal Mail, Carshop, Synergy and Booker, reinforcing its reputation as a premier location for logistics and distribution.

The unit extends to 336,740 sq ft and has been designed to a best-in-class specification. Incorporating a wide range of sustainable features, including roof-mounted PV panels, EV charging, and fibre connectivity, Hillwood Park is targeting a BREEAM "Excellent" rating. The unit offers occupiers an exceptional opportunity to establish a high-performance, future-ready facility at the heart of the UK logistics network.

STRATEGIC LOGISTICS LOCATION

Northampton is one of England's fastest growing towns and is the strategic location for many national organisations as their central hub for business. Northampton has excellent rail and road communications, with hourly train services to London and road links to the M1 at Junctions 15, 15a & 16 and additionally to the A14 in the North.

The Crow Lane Industrial Estate is situated 3 miles east of Northampton Town Centre adjacent to the A45 Expressway, which provides dual carriageway access to Junction 15 of the M1 Motorway to the South and the A14 (A1/M1 Link) to the east. Crow Lane is a well established employment location with occupiers including, Sytner Select, Booker Cash & Carry, Royal Mail Distribution Centre, Synergy Retail Support and DX Delivery. Hillwood Park Northampton is located at the junction to The Causeway.

WHY CHOOSE HILLWOOD PARK NORTHAMPTON FOR YOUR LOGISTICS OPERATIONS?

STRATEGIC LOCATION

Hillwood Park is located adjacent to the A45 dual carriageway, providing immediate access to Junction 15 of the M1 motorway just 7 minutes to the west, with direct links to the A14 (A1/M1 Link) and A43.

ESTABLISHED OCCUPIER BASE

Northampton's central location at the heart of the UK's road network has made it a premier logistics hub. The immediate Crow Lane area already hosts major occupiers including Royal Mail, Booker, Synergy and Carshop, reinforcing its reputation as a proven distribution location.

RAIL FREIGHT ADVANTAGE

Northampton Gateway Rail Freight Terminal lies just 6 miles (10 minutes) to the west at Junction 15 of the M1, while Prologis DIRFT is 17 miles (30 minutes) to the north at Junction 18. Both terminals offer excellent access to the national rail freight network, including the West Coast Main Line.

SKILLED WORKFORCE

Northampton is a long-established industrial and logistics location, supported by a skilled resident working population of 243,511.

MODERN FACILITIES

Hillwood Park will deliver a best-in-class building incorporating the highest specification, including 15m clear internal height, 50 kN/m² floor loading, 2 MVA power supply, 30 dock level doors and a comprehensive range of sustainable features.

COST EFFICIENCY

Occupiers benefit from highly competitive operating costs in Northamptonshire, with average weekly earnings of £592 – below the national average of £640 – together with excellent access to a large and cost-effective labour pool.

SUSTAINABILITY AT ITS HEART

BREEAM

The unit will be built to achieve BREEAM Excellent certification.

ENERGY PERFORMANCE (EPC)

The unit will have an EPC "A" rating.

ENERGY EFFICIENT HEATING & COOLING

Variable Refrigerant Flow (VRF) heating / cooling system with internal ceiling concealed fan coil units fed from external air source heat pump to the offices, and efficient local electric heaters to ancillary areas.

ELECTRIC VEHICLE (EV) CHARGING

The unit will provide EV charging spaces, as well as providing ducting to enable further spaces to be constructed in the future.

ENERGY EFFICIENT LIGHTING

Energy efficient LED lighting is provided to the offices, operated by PIR sensors and daylight dimming sensors.

SOCIAL WELLBEING

Hillwood Park Northampton combines outdoor wellbeing areas with open plan internal areas with natural daylight to offer staff a pleasant and natural environment. Nearby pedestrian routes offer access to public transport.

NATURAL DAY-LIGHT

10% of the roof panels across the warehouse are translucent, providing plenty of natural day-light.

CAR SHARING

The Landlord can mark spaces in accordance with an occupiers bespoke car sharing scheme.

PHOTO-VOLTAIC (PV) PANELS

A provision of PV panels has been provided under the base build, whilst the roof is structurally designed to support panels across the entirety so the occupier can add more as they wish.

CYCLE PARKING

Covered cycles spaces and shower facilities have been provided.

ABOUT HILLWOOD

Hillwood is a leader in developing and acquiring high-quality, sustainable industrial and logistics properties across the UK, Europe, U.S., and Canada. Within these core markets we have delivered more than 230 million sq ft combined across 12,500 acres.

Our UK operational experience spans more than two decades and our innovative approach to master planning, commercial development, and property acquisitions has led to exciting partnerships with landowners and occupiers. Along the way, we've stuck to our belief that we are most successful when delivering creative solutions and long-term value for our partners and customers.

Most importantly, our private ownership and depth of capital allows us to move quickly to identify opportunities, whilst applying the hands-on approach you would expect from a long-term trusted partner. We make your business, our business.

<p>BEST IN CLASS Development team, technical team, and consultants.</p>	<p>5M SQ FT Committed from 2025 onwards.</p>
